International Institute
of Professional Studies

To,
Director sir
IIPS(DAVV)
Indore(MP)

Date :

SUBJECT: Requesting Permission to start FEEDBOX Club in IIPS(DAVV).

Respected sir,

I am Akshat Gupta MCA (IVth Sem) from Team Feedbox. Sir, I would like to ask you to give permission for us to start the FEEDBOX Club at IIPS under the guidance of Dr. Nitin Nagar sir and Dr. Ramesh Thakur sir at the Computing Club.

In recognition of the excellent work feedbox has accomplished, our club has been announced under **Top 3 best practices of DAVV by honourable Vice chancellor ma'am**. It has been successfully running in IET-Davv since past 6 years and the student's have been benefiting a lot from it and **our founders have been awarded by the Chief Minister of Madhya Pradesh, Mr. Shivraj Singh Chouhan**, in 2023 January, and by Mr. Shankar Lalwani, in 2022. According to our past achievement records at different colleges, our club members have the highest percentage of placement offers. Feedbox club has also been a marketing partner of **Aakshank** -central India's largest cultural fest, **GDG Dev Fest**, **TedX Pandri**, **Rap Fest**, and many more.

Here are some of the benefits of Feedbox Club:

- The club's vision is to inculcate digital and tech skills among college students. We focus on enhancing students' past skills along with acquiring new skills.
- For IIPS students, our expert team and senior experts will train them in the various domains of their interests. For students of journalism, we take digital marketing and social media management sessions. For future engineers, there are sessions on web development and app development.
- There are also sessions on content and copywriting, graphic designing, video editing, financial topics, etc.

- We invite speakers from different cities to take care of their intercity commute and stay to make sure we can deliver valuable sessions. It would be helpful if you could take care of their stay.
- We also provide basic guidance sessions for students aiming to crack competitive exams like CAT, GATE, GRE, and GMAT.
- With interactive sessions and meetings, Feedbox helps students build connections with successful people and the best alumni network with students placed in American Express, Amazon, Google, and many more.
- We also help with the startup community in the college and guide startups under incubation cell (In case of any) .

Club's requirements from the college →

- > Official mail ID for the club.
- > Room /Auditorium for sessions as per attendees.
- > Reimbursement for intra-city commute of mentors.
- > Basic expenses of recruitment like printouts, banners, registration forms, study materials, posters.
- > Faculty coordinator to help us with the smooth functioning of the club and permission requirements.

Regards

Akshat Gupta
